I wish to state the following in support of my candidature: **not to exceed 300 words.**

As a previous Independent Director of the Club during the lead up to winning its first Grand Final I understand the need for good governance, policy, ensuring the membership is represented with the highest levels of integrity, honesty and passion.

The Club has been an integral part of my life as a former club official who always put the interests of the club before myself. I understand the responsibility a Sharks Director has and the importance of always acting in the interests of the membership. In recent times this has not been the case and urgent change is required to ensure the future of the Sharks NRL Brand.

I have been a Perpetual Life member of the Club for three decades. I have been a former employee at the club during the 1980's and 90's and have been actively involved with various aspects of the club including Senior and Junior league alongside my father the Late Bob Gorick OAM. I have been a passionate community member helping numerous local charities and others in need.

As a retired Sergeant of the NSW Police Force I possess numerous qualifications including an Advanced Diploma in Justice. I possess extensive knowledge of governance methodology, policy and procedures which is beneficial to managing the clubs position within the NRL. I possess superior skillsets in planning and organising operations with special events. I have also been a significant contributor to the club through charitable events such as the John Peard and Glenn Wheeler fundraisers which were held in the Sharks Auditorium. I was also an integral part of the team for the "Sharks Have a Heart Foundation". If elected as a Director I will continue my philanthropy for the club with the upmost of dedication to ensure the Sharks brand is revered by its competitors.
