I wish to state the following in support of my candidature: **not to exceed 300 words.**

First and foremost I am and have been a Shire resident for nearly 60 years and have always had a vested interest in the Sharks as a supporter and previous sponsor.

I have previously played a pivotal role in saving the club from receivership as a board member and tough decision maker, i.e. clearing the decks of superfluous costs, instigating revenue inspiring events (including first ever night game at Endeavour Oval), negotiating cost saving deals with suppliers and bringing proven successful managers and officials on board the team to strengthen our survival chances.

I negotiated with development interests for the, now mid construction development surrounding Sharks Leagues Club, proposal prior to any application to SSC as a precursor to the feasibility of the project.

I was instrumental in many community fund raising events, mainly for the benefit of Prince of Wales Children's Hospital but also more specifically on one occasion to save the life of a young girl with a rare heart condition (where we raised in excess of \$300k in about 4 weeks for her U.S. operation).

Those who know me well know I am a do'er and an organizer who generally achieves what I set my focus upon, with little or no deviation.

The right team needs to make tough frugal and administrative decisions for the club to prosper and to be honest and open with the members regarding all facets of those decisions or actions.

I believe we are that team.
