I wish to state the following in support of my candidature: **not to exceed 300 words.**

Dear Members,

I have been a current Board member for almost 3 months having joined the Board in early December 2018 upon request from current Chairman Dino Mezzatesta. The request was aimed at providing stability to the Sharks at a board level to what was understood to be an unsettled period ahead.

Since joining I have been appointed to the following Sub-Committees; Investment Committee, Audit & Risk Committee, Stadium Committee and Building Committee.

My background is in Corporate & Property Finance. The skills I have developed from leading teams include business development, governance & compliance and will aid the current the management team with the additional business acuity and access to commercial networks to support the Sharks to achieve both short and long term aspirations.

My management style is focused on supporting all the team in achieving both individual and team goals, with accountability and customer satisfaction key components.

We have at present through careful fine tuning assembled a very good Board headed by a solid Chairman. I know that through working cohesively we can take advantage of the existing Board members knowledge to ensure the Sharks remain a strong and valuable community asset to the Shire forever .

Please vote to keep this loyal and dedicated team of 5 Board members together-Dane Sorensen, Steven Mace, David Nicholson, Martin Kennedy and Mark Deutsch.

Vote for the Sharks success.
