

WOOLOOWARE BAY

Captain Cook Drive Road Upgrade

Captain Cook Drive road upgrade — Temporary traffic changes between Gannons Road, Woollooware Road and Elouera Road

Roadworks to upgrade Captain Cook Drive as part of delivering a new shopping centre and a new Cronulla Sharks Leagues Club are well underway.

We thank you all for your patience and cooperation while the crews work to complete this important new infrastructure as quickly and safely as possible.

When complete, the works will improve access, safety and traffic flow for vehicles, cyclists and pedestrians travelling through the area, and for users of the shopping centre and club.

The upgraded road will include a double lane carriageway in both directions, new intersections controlled by traffic lights and new pedestrian paths and cycleways.

Latest changes?

Key changes are now in effect:

- The roundabout at Woollooware Road has been removed.
- Single lane traffic is now in effect and will flow down the centre of the road, with concrete barriers at either side of Captain Cook Drive.

- This means traffic is still not able to:
 - cross Captain Cook Drive at the Woollooware Road intersection
 - turn right out of Woollooware Road onto Captain Cook Drive
 - turn right from Captain Cook Drive into Woollooware Road
 - turn right from Captain Cook Drive into Cronulla Sharks Leagues Club
 - turn right from Cronulla Sharks Leagues Club into Captain Cook Drive
- Access to car parking for the Sharks Leagues Club will still be available during roadworks but entry and exit will only be as above.
- Access to Fitness First will initially be through Sharks carpark then transition to a new northern extension of Woollooware Road.
- For all other access, traffic will need to travel to either the existing Elouera Road or Gannons Road roundabouts and make u-turns.
- A 40 km per hour speed limit applies for the duration of the roadworks and will be monitored and enforced where indicated via signage, between Gannons Road and Elouera Road.
- Pedestrian access across Captain Cook Drive will be limited during roadworks.
- A temporary footpath and cycleway will be implemented on the western side of Captain Cook Drive and will be clearly signposted.
- A temporary footpath and cycleway will be implemented on the eastern side of Captain Cook Drive, and will terminate at the Sharks.
- A new footpath near the pedestrian crossing on Woollooware Road will provide additional access to Woollooware High School.

What stays the same?

- Access between Foreshore Boulevard and Captain Cook Drive at the existing traffic lights remains the same.
- Bus stop locations on either side of Captain Cook Drive near the Sharks and Foreshore Boulevard remain the same.

Prepare for changes

- During this time, all road and footpath users are encouraged to remain alert to a busy and constantly changing construction environment.
- Traffic delays can be expected and road users are encouraged to plan alternative routes.
- Plan ahead for these changes and factor additional travel time into your journey.

Stay informed

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the roadworks progress over the next 12 months.

- Traffic management and signage will be in place to assist road users through these temporary conditions.
- If you have any questions, would like to register for project and traffic updates or have any feedback visit wbyroadworks.com.au
- For all construction-related questions contact Ford Civil Community Liaison Officer on 0437 655 703.

We thank you for your patience during these important works
